

End User License Agreement (EULA)

You have been given a single license of any model downloaded from “valentinomb.com” to use for a non-commercial and personal usage.

By downloading any product or model from “valentinomb.com” you automatically agree to this EULA.

You may not use any of the models or software for commercialization unless explicitly approved in writing and signed by Valentino Magniette-Bosseboeuf. Any modification or replication of my work cannot be commercialized unless approved once more by Valentino Magniette-Bosseboeuf.

You are allowed to modify and suggest modifications to the developer Valentino Magniette-Bosseboeuf freely if no commercialization is intended.

If the product is intended to be commercialized in any manner by anyone, an agreement with Valentino Magniette-Bosseboeuf is required in writing with signatures from all defined users. Valentino Magniette-Bosseboeuf reserves the right to charge any amount at his full discretion should a product license be required for commercial usage.

Valentino Magniette-Bosseboeuf is not responsible under any circumstances for any damages to the end user in any scenario and hence holds no liability.

The models published under “valentinomb.com” are prone to error and require due diligence from all end users that have downloaded or received any of the models.

Valentino Magniette-Bosseboeuf retains full discretion to modify the EULA with thirty (30) days’ notice to end users on the website.

The laws governing this agreement are that of CANADA.

This EULA was redacted and is enforced from the 1st of April 2024.
